Roy and considered materially before any answer is returned. It cannot be said that Minister Calero's statement caused surprise, nor has it modified the diplomatic situation. The note is researded rather as an attempt to relieve the Mexican Government from financial liability for damages inflicted upon foreigners by the rebels, than as an evidence of resentment against the warning of the State Department here. In the opinion of administration of ficials the Mexican note has not advanced any fresh reasons for intervention at this date unless the disclaimer for responsibility for the actions of the rebels may be regarded as warranting foreign governments in considering whether they themselves might not be privileged to take foreible casures to protect their subjects and citizens where they may be endangered in territory completely within control of the rebel forces.

HE elastic is in strips instead of one whole piece. Movement of the lower limbs is easy and natural and the clastic fabric lasts. It cannot become wrinkled. Each strip is designed to withstand the correct degree of tension at that point.

This gives perfect ventilation, prevents perspiration and preserves the "life" of the clasticand therefore of the corset.

Instant popularity has been accorded to this new model.
